## Welcome to the Pomegranate Theatre, Chesterfield

The Pomegranate Theatre is a beautiful Grade II-listed Victorian 590 seat theatre based in the town centre of Chesterfield. The theatre presents a programme of professional touring drama, music, dance, and a very popular star studded pantomime. In addition, the Pomegranate Theatre presents Pomegranate Screenings - an ongoing programme of latest films and satellite broadcasts using state of the art cinema equipment. The Pomegranate Theatre is also hired by local amateur groups who stage their own performances.

The Pomegranate Theatre aims to be accessible to all and we are committed to making your visit to us as easy and enjoyable as possible. The information contained in this leaflet can also be available in other formats if required.

Our staff are an important link between the practical facilities we offer and the many guests who visit us each day. All front of house staff undergo awareness training, and will be only too pleased to assist you should you require any information or help.

## Audio described performances

The Pomegranate Theatre has an audio description box in the auditorium. The audio describer will use natural pauses in dialogue to verbally communicate what is happening on stage and audience members who wish to hear the narration will be provided with a headset.

## Touch tour

A touch tour may be offered. This usually happens an hour before the show and attendees will have the chance to explore the set, costumes and sometimes to meet some of the actors.

## Captioned performances

Captions for shows at the theatre are displayed in a digital unit box near the stage. A qualified captioner prepares the captions in advance, then cues them 'live' as the action unfolds on stage.

## British sign language interpreted

Some performances at the theatre have a British Sign Language interpreter at the side of the stage, who will interpret the spoken and heard elements of a performance.

## Relaxed performances

Open to everyone and is specifically adapted for those with learning disabilities and other sensory and communication disorders – providing a more relaxed and supportive atmosphere in order to reduce anxiety and allow people to experience live theatre.

## Familiarisation

We appreciate that visiting a new place can be a challenging experience for some people. If you have booked tickets to one of our events and one of your party would benefit from a pre-event tour or touch tour (if offered as part of the show), then please get in touch with

**Wendy Blunt**, Health and Wellbeing officer on **01246 345344**.

## Dementia friendly performances

Music and theatre play an important role in engaging with people who are living with dementia and can contribute significantly to maintaining people's independence and reduce social isolation.

We have partnered with Arts Derbyshire and the Matinee Project to bring four screenings of classic films for people with dementia or memory challenges and their family/carers.
